Miscellaneous Work Agreement

General Contract for Services

The General Contract for Services documents the terms of the sale of services by one company (the "Publisher") to another company or an individual (the "Client" or "Service Recipient"). This document should not be used if the Service Provider is an individual. A Work for Hire, Consulting Agreement, or Subcontractor Agreement document can be used for that purpose. This document only deals with services purchased from a business, and therefore, does not address issues related to independent contractor status.
